Thursday	Worship	Maths/Guided Reading	A	English	Hall Out	Forest School Mr Simmons
Friday	Worship	Maths	K	RE	Hall Out	Art / PSHE Mrs Taylor

Topic Web

Maths

In Maths we will be looking at place value within 1000, how to partition and represent these larger numbers

We will then move on to addition and subtraction and begin looking at formal methods of calculation such as column method.

Key Dates:

Harvest Service – 8th October

Parent consultations – w.b.19th October

Last day of half term – Thursday 22nd Oct

English

Our first text will be 'Mr Fusskins' by Sami Lloyd. This text will be used to revise and consolidate all year 2 objectives and ensure they are secure before moving onto the year 3 Curriculum with the text 'Ocean Meets Sky' by The Fan Brothers.

Some of the objectives include:

Formation of nouns

'a' and 'an',

Adverbs

Subordination (when, if, that, because)

Expanded noun phrases

Apostrophes for singular possession

Year Three – Autumn 1

History

Romans

Why did the Romans come to Britain?

How have they influenced our lives today?

We will be looking at the changes they made to cities, roads and infrastructure.

Music

This year the children will develop their use of woodwind instruments. They will be able to bring an instrument home to practice too.

Spanish

We will be using our Language Angels scheme to learn about lots of new Spanish vocabulary, sentences and questions, including greetings.

PE – Football

We will be focussing on our kicking skills in football this term.

Our PE day is Tuesday afternoon. As we also have Forest School on this day, please come in Forest School clothing and bring PE kit in an alternative bag. Please also remember that wellies must be worn in Forest School but must not be worn inside the school building. Please arrive to school in PE trainers and we will give the children time to change into their wellies before entering the forest.

PSHE – Me and My Relationships

This half term we will look at our relationships with the world around us including:

- Looking at rules and their purpose
- Understanding cooperation
- Friendships and respectful relationships
- Opinions and what to do when they clash

RE – Harvest

In RE, we will be looking at what the Bible says about giving thanks for the harvest, what it means to be thankful and why harvest is celebrated by people of faith and those with no faith.

We will be researching how harvest is celebrated around the world and share our own experiences of harvest festivals and what we do at school.

We will also look at the Jewish festival of Sukkot and Hindu festival of Pongal.

Science – This term, the children will begin with some biology.

We will learn about the skeleton, how we move and how we can keep our bodies safe through our nutrition and diet.

- Our PE session will be every Wednesday afternoon.
Children are to come to school in their PE kit on this day.
This half term we will be focusing on football skills.
PE will be outside so please dress warmly when the weather turns colder.

Forest School

Forest school is every Friday, please come in school uniform and ensure children come into school with wellies and waterproof coats and trousers to put on.
Thank you.

Water Bottles and snack

- All children need to bring their water bottle with them each day. This should arrive into school already filled and children will take them home each day.
- We will be offering toast at breaktime. Children will need to let me know each morning so orders can be made and their snack brought to them. Payments for this are on Compass.

Homework

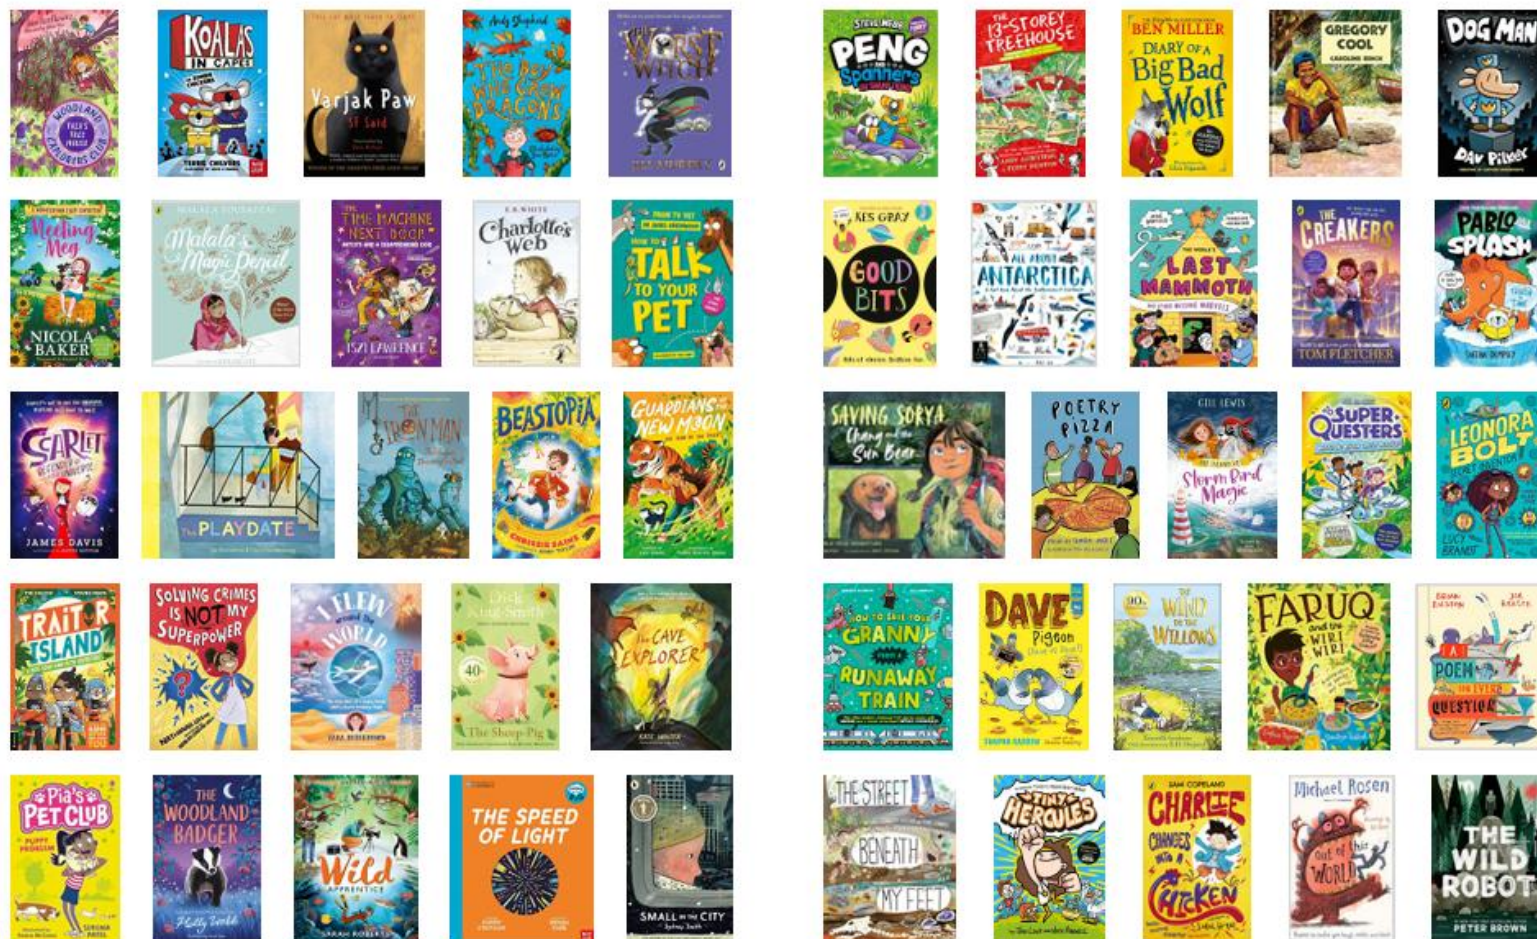

- Reading – children will change their own reading book when they need to (some books are bigger than others) They will have the opportunity to get a ‘numbered’ book when they arrive in school every morning.
- A Magma Maths and SPaG.com task will be set each Monday and will be due in the following Monday.
- Weekly spellings will be sent home on a Friday to practise at home for the spelling test the following Friday

How To Help

- Please continue to read with your child as much as possible.
Even older children love being read to and this helps to inspire a love of books.
- Support with homework as much as possible.
- Please communicate any worries, concerns or celebrations via Compass Message, the school office, staff on the door or make an appointment to see us.
