# Topic

Topics will be based around a key text. We hope this will allow children to become fully immersed in this particular area of interest. This term we are looking at 'One Day'

At the start of each half term we will launch our topic with a 'Hook Lesson' which will allow the children to make predictions on our topic and share any knowledge they may already have. This text links perfectly with our first history unit of 'Children during WW2'.

# PE

- Our PE session will be every Friday afternoon. Children are to come to school in their PE kit on this day. This half term we will be focusing on football and hockey; developing our skills and working as a team.

# PE

○ This year we will be taking part in:

- Autumn 1 – Football and hockey
- Autumn 2 – Rugby, netball and basketball
- Spring 1 – Dodgeball
- Spring 2 – Badminton
- Summer 1 – Dance
- Summer 2 – Athletics

# Water Bottles and snack

- All children need to bring their water bottle with them each day. They should arrive into school already filled and children will take them home each day.
- We will be offering toast at breaktime. Children will need to order this in their classroom during morning registration.
- Please ensure snacks that are being brought in are healthy – no chocolate, sweets or crisps.

# Homework

A homework task – which will be either maths or SPaG based – will be set on Monday to be completed for the following Monday, this gives children a full week to complete their work. 1 task (or 2 shorter ones) should be completed each week. Work will be marked together every Monday before children are given their next task. These tasks will be online and children have their log ins, please get in touch if there are any problems.

Children should continue to read daily and use Times Table Rockstars regularly.

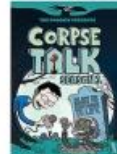

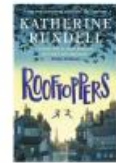

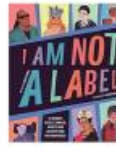

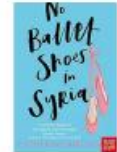

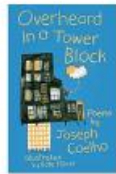

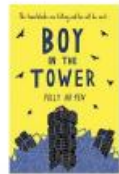

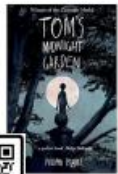

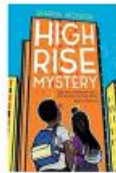

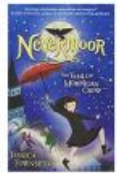

# Recommended Reads

50 Recommended Reads for...

**Year 6**

(ages 10-11)

# How To Help

- Please continue to read with your child as much as possible. Even older children love being read to and this helps to inspire a love of books.
- Support with homework as much as possible.
- Times tables are as important as ever in Year 6 – please ensure children are practicing these at home as often as possible.
- Please communicate any worries, concerns or celebrations via class dojo, the school office, staff on the door or make an appointment to see me.

# Outdoor Learning

- This half term, we will be having our forest school session every Monday afternoon. Please ensure that children have a coat with them and appropriate shoes (wellies/ walking boots) to change into. The sessions will only be cancelled if it is extremely wet or cold.
- Mr Simmons has been on Forest Schools training and will be the session leader. Sessions will be planned together and link to our topics where possible.
- Our first outdoor learning session will be Monday 7<sup>th</sup> September.

# Start and End of Day Procedures

- Gates unlocked at 8:35am. Please do not leave children unattended on site before this time.
- Staff will be on hand to take messages for the class teachers.
- At the end of the day, children will be dismissed from the door between the Year 4 and 5 classrooms at 3.15pm.

# Other Staff Working in Class

- Mrs Taylor will be on hand to support children during our morning sessions. This could include taking children out to work in smaller groups if necessary.
- We are very lucky to also have Miss Gadsby in Year 6 this year.

# Communication

- Messages via staff on the doors
- Appointment to speak to me
- Parent consultations
- Class Blog
- Email [year6@breretonprimary.org.uk](mailto:year6@breretonprimary.org.uk)

## Flourishing Together
